

Developing a shared vision for the local transition to renewable energy

Workshop's visual story

Kick-off

30分至下午6時30分
政府南棟301會議室
(屏東市自由路527號)

主辦單位 |

屏東縣環境保護局

ICIEI KCC

執行單位 |

豐山環境技術服務顧問有限公司

%再生能源國際工作坊

Keynote speaker:

- Magistrate Pan,
Head of Government,
Pingtung County

Special participation:

- Mr. Lu, Director General,
Environmental Protection Bureau

A woman with long dark hair, wearing a white button-down shirt, is speaking into a microphone. She is gesturing with her left hand. In the background, there is a green chalkboard with some papers pinned to it. To the right, another woman in a black top is partially visible. In the foreground, several people are seated at a table, looking towards the speaker. A yellow water bottle is on the table. The overall setting appears to be a workshop or a meeting.

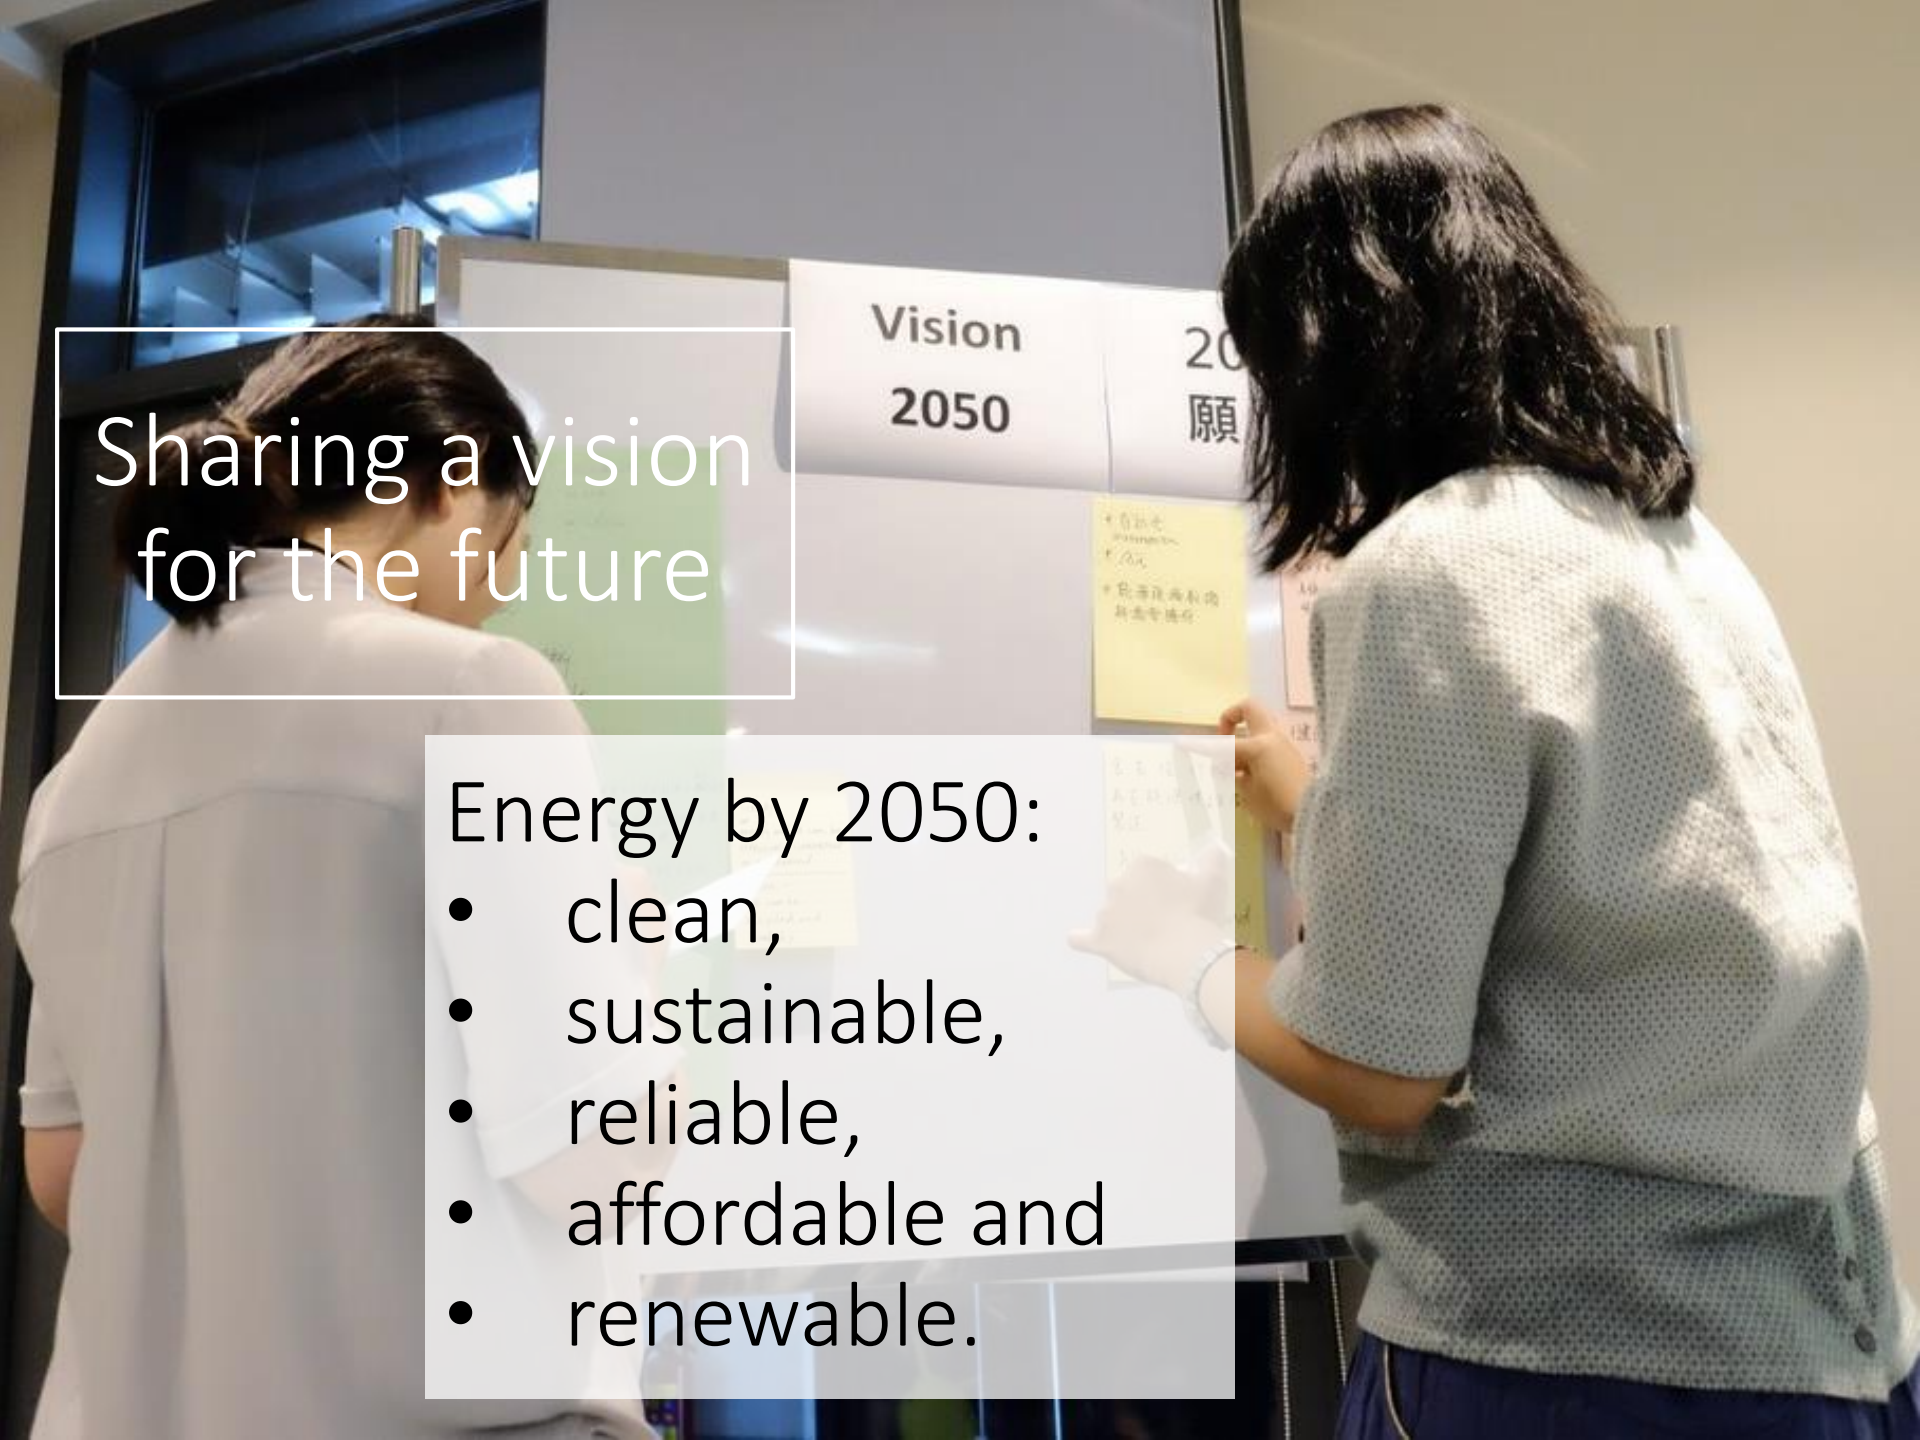

Workshop organization

- **Organizers:**
 - Pingtung County,
 - ICLEI Kaohsiung Capacity Center (ICLEI KCC) and
 - Wisdom Environmental Technical Service and Consultancy
- **Facilitator:**
 - Ana Marques, Sustainable Energy Consultant
- **Translators:**
 - Tsu-Jui Cheng,
 - Chinghui Liao,
 - Yisheng Yang and
 - Haure Yang
- **Participants:**
 - Pingtung County staff representing main departments,
 - Key stakeholders, including academia, businesses, etc.
- **Photography:**
 - Pingtung County (reproduced with permission)

Sharing a vision
for the future

How do you want
Pingtung to be in
2050?

Vision
2050
願景

A photograph of two women in a meeting room. They are standing in front of a whiteboard. The whiteboard has a sign that says "Vision 2050" and "願" (Vision). There are several sticky notes on the board, including a yellow one with Chinese text. The woman on the left is wearing a light blue shirt, and the woman on the right is wearing a light blue patterned cardigan. The room has a window in the background.

Sharing a vision for the future

Energy by 2050:

- clean,
- sustainable,
- reliable,
- affordable and
- renewable.

Identifying local success cases

Focusing on energy efficiency and renewable energy projects.

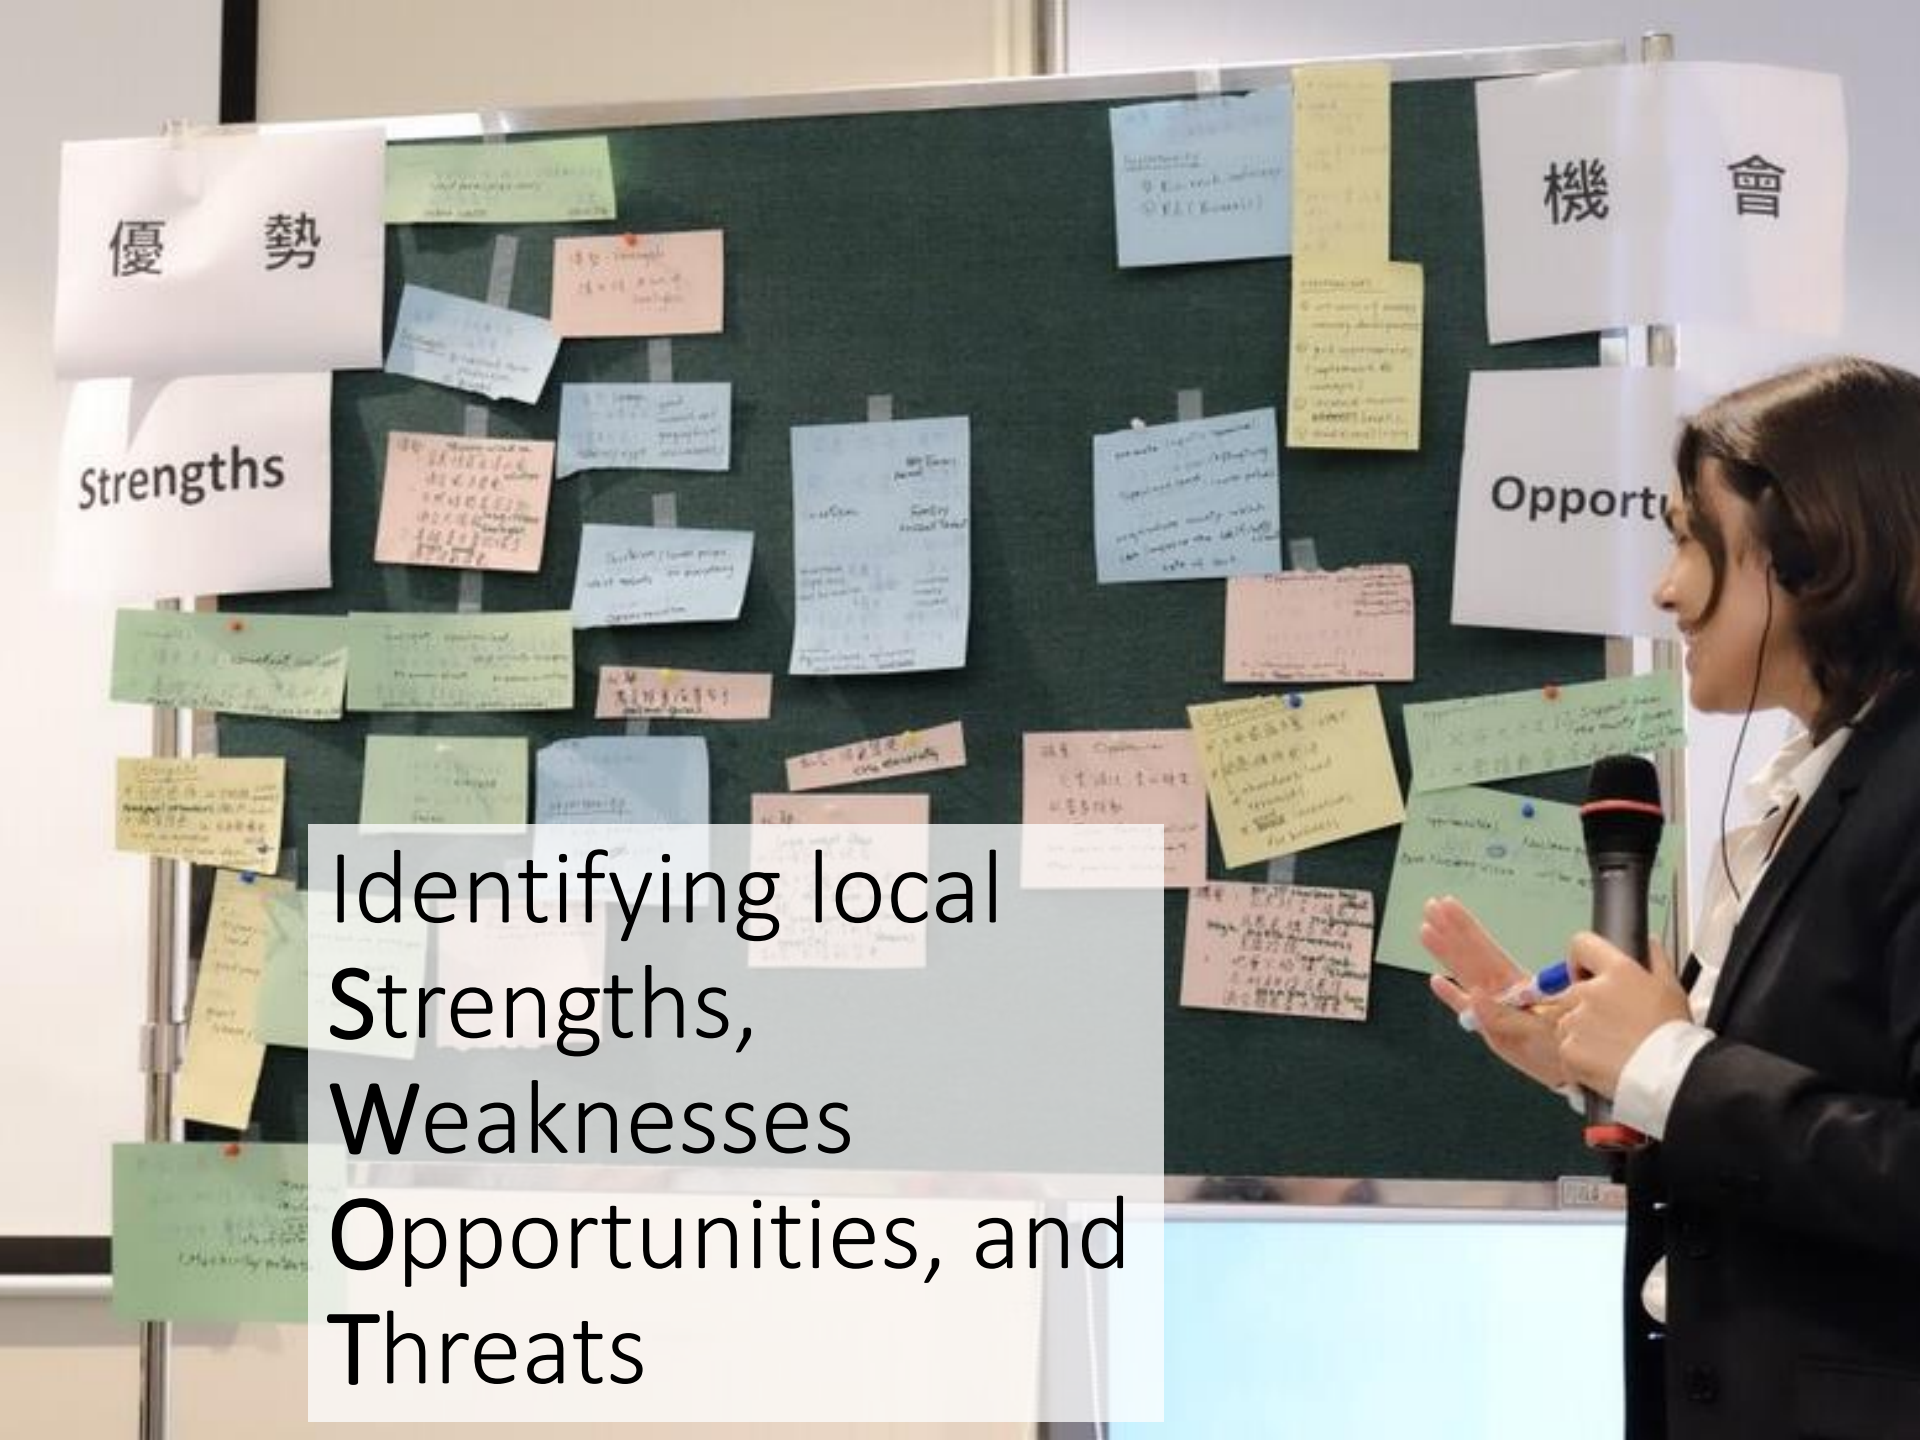

優勢

Strengths

機會

Opportunities

Identifying local
Strengths,
Weaknesses
Opportunities, and
Threats

Discussing the transformations needed to materialize the 2050 vision

Discussing the transformations needed to materialize the 2050 vision

Pleased for having taken the first step in this transformative journey.
